The University of Arizona College of Fine Arts School of Art is pleased to announce:

Exhibition dates: May 25 – June 22
Reception: Thursday, May 28, 6:00 – 7:30 pm

The Joseph Gross Gallery mission has evolved over its thirty years but has remained true to its core objective: to bring contemporary art to the greater Tucson community. Since the gallery’s inception, its efforts to pursue cross-discipline art exhibitions that bridge the gap between traditional and nontraditional art have continued. Presence is an anniversary celebration of the gallery’s successes and of School of Art friend and supporter, Joseph F. Gross.
