is proud to present...

Work in the Lionel Rombach Gallery by:
School of Art 2D Undergraduate Students

Exhibition Dates: October 27 - November 7, 2008

This exhibition demonstrates the wide range of technical, aesthetic and conceptual approaches used by the undergraduates who take 2D studio classes. The exhibition will showcase student work developed under the direction of the diverse group of professionally recognized artists making up the 2D faculty; thus, the works are unified not by theme or technique but by the breadth of their diversity. The purpose of this show is to present the achievements of students in the 2D program, but also to extend beyond the classroom, dialog between students, faculty, and divisions about student work in relation to contemporary art issues.

Gallery Hours: Monday - Friday 9am-5pm Saturday - Sunday 12pm-4pm
Free to the public every day

The Joseph Gross and Lionel Rombach Galleries are located on the University of Arizona campus between the Museum of Art and the Center for Creative Photography. Parking is available on 2nd Street, east of Park Avenue or in the parking garage north of Speedway on Park Avenue.
