

POM LINE AGREEMENT

Please read, sign, and bring this agreement with you to the tryouts.

In trying out for The University of Arizona Pom Line, I understand that there will be conflicts between band camp week and rush week for the sororities. There may also be other time conflicts throughout the year. If I make the U of A Pom Line, I understand that my first priority must be to attend all scheduled UA Band rehearsals. This includes band camp week, which conflicts with many of the activities of sororities during rush week. I understand that it is not possible to be excused from rehearsal for any of these activities. I also understand that if I am planning to rush a sorority, that this will be a very exhausting week for me and I will not be able to attend many of the sorority parties and functions. New line members are not permitted to go through Fall Rush their first year on the line. If I am already in a sorority or if I successfully pledge one, I understand that by trying out for the UA Pom Line I am agreeing to make the Pom Line my top priority if there are ever any conflicts in time scheduling. If I do not live up to these agreements in any way, I understand that I will be dismissed from the UA Pom Line at the discretion of the Band Director and/or Pom Coach.
