Dear 302 students:

How to find the 302 production text, "The Music Producer’s Handbook,” by Bobby Owsinski.

Go to:

https://tsw.createspace.com/title/5902092

You have to create an account first, but the book is available for a special discounted price after that.

After you have created your account, to find the book, click on “Site," then click on “Store." Then simply type the book’s name into "Search Store."

Good hunting,

JH
